

CONFIDENCE PLUS[®] 24 MONTH/24,000 MILE NORTH AMERICAN WARRANTY

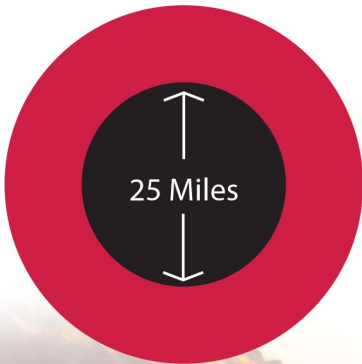

Travel with Confidence

GIVE YOUR CUSTOMERS THE COVERAGE AND CONFIDENCE THEY WANT AND NEED:

- A network of more than 35,000 service repair facilities throughout North America.
- Attract new business and build customer trust and loyalty.
- Warranty invoice envelopes provide an easy reference for what to do in case service is required.

The Confidence Plus 24 months/24,000 miles (40,000 km) parts and labor warranty is administered in two areas:

Inside 25 Miles

Customers that require assistance inside the 25-mile (40 km) radius of your repair facility are instructed to contact your shop directly to ensure they are handled the way you want them to be.

Outside 25 Miles

When customers require assistance outside the 25-mile (40 km) radius of your shop, they can contact the Confidence Plus[®] North American Warranty Administrator, where they will be referred to a participating Service Center near them. Once the customer has demonstrated eligibility, their repair can be made, and they are eligible for free towing and free car rental.

COVERED SERVICES INCLUDE:

- Air conditioning, heating and climate control systems
- Engine cooling system(s)
- Engine performance, drivability services and repairs
